Booking your Appointments

To save disappointment it would be a good idea to pre-book your appointments. Especially Tuesday, Wednesday and Thursday afternoons as these times fill up quickly. While this is good for business and shows we are doing our job, it also means that people need to book to save disappointment

Cancellations

Please give 24 hours notice when cancelling your Appointment. We do have patients on a waitlist, that would benefit if we could give them notice.

Ask us about our Maintenance Program

You don't have to be sick to benefit! This maintenance program is an holistic approach that treats the whole body. We believe that acupuncture, along with nutrition are the key tools to wellness. Our clients have found Traditional Chinese methods of healing to be an excellent therapy for maintaining Optimum health and preventing illness.

We give an individual program that's an effective form of preventive medicine, that detects & treats energy imbalances before they lead to disease.

A lot may wonder what is "Holistic Medicine?"

The body is made up of lots of vital organs, and then functions which all have to work together as a team to give us the vitality we wish to reach. Acupuncture works on stimulating the bodies nervous system in a manner for all the functions to work together or "holistically".

Some people opt for a weekly Massage/chiropractic treatment but a lot of our patients have weekly/fortnightly one hour acupuncture treatments and walk out feeling they are on cloud nine. What a great way to start or end the week. So if you are interested in our Maintenance Program we do have some conditions:

- Initial consultation is required at a cost of \$50.00
- Each visit after initial consultant would be \$40.00 per visit
- **Minimum 2 visits** in a month is required each month

If you are interested please ask us.

Christmas Over Indulgence

With Christmas fast approaching we tend to over indulge in the festive season e.g. - Xmas parties, Xmas day and New Year's Eve etc. So if you are feeling bloated, heartburn and overweight just to name a few symptoms ask for Bruce's commonly prescribed 'Coolblue' for that gentle Detox and clearing of the bowels. So make sure you make an appointment for January 2008.

Christmas Holidays

The clinic will be closed from Monday 24th December— Tuesday 1st January. We will be re-open Tuesday 2nd January—Friday 4th January, 2008. So if your require a tune up please book in.

The clinic will be closed again from Monday 7th January—Friday 18th January, re-opening from Monday 21st January. If you would like to make an appointment over this period please call as Tania will be looking after phone calls.

Affirmation of the Month

"When you speak of someone or about someone, you should speak as though they were in the room with you. The ears that you speak to today are attached to the mouth that could relay the message tomorrow.

To all our wonderful friends,

May you all have a wonderful Christmas and a safe New Year. See you in 2008
